

ABOUT YOU

Our team is enthusiastic, collaborative and tenacious. As a business, we are continuously focussed on being the best. To be the best we look to recruit the best – our graduates are no exception.

We look for forward thinking and curious people who are able to participate in thought provoking conversations. Adaptability, a thirst for knowledge and the willingness to be a team player are all key attributes we look for in our graduates.

Candidates that are able to demonstrate work/life balance; strong academic results and participation in extracurricular activities will be looked upon favourably.

JOIN SPIIRE

We invest in our people. We see our graduates having the potential to be future business leaders.

In fact, many of our graduates have worked for us for more than five years and have progressed into senior associate roles.

If you want to work for an inspiring organisation shaping the future of Australia, then apply for our graduate program today.

GROWING OUR FUTURE

SPIIRE GRADUATE PROGRAM

ABOUT SPIIRE

Spiire is Australia's largest privately owned property consultant spread across six offices – Albury, Bendigo, Canberra, Geelong, Melbourne and Shepparton – we are committed to developing Australia's future.

We offer surveying, urban design, planning, engineering, landscape architecture and visual media expertise to deliver projects in the urban infill, greenfield and infrastructure spaces.

As a people focussed business, we believe that our people are our most important asset. We foster and nurture the development of our staff through tailor-made development and mentoring programs as well as specialised technical training sessions.

At Spiire we invest in our people to make them the best.

OUR GRADUATE PROGRAM

By joining Spiire's Graduate Program you will be provided with professional development, inspiring leadership, and the ability to gain experience and exposure on real projects that are shaping the future of Australia.

You will be provided with exposure to different parts of the business, the ability to contribute to internal and external initiatives as well as liaising with different stakeholders.

We provide an environment for our staff to grow as we grow.

OUR VALUES

Our vision of *inspiring people and places* starts from the inside. We are focussed on providing inspiring opportunities for our people, so they can provide inspiring outcomes for our clients.

At Spiire our values are embedded in everything we do. Working at Spiire means you get to be part of a fun and creative team who work collaboratively to provide outstanding outcomes.
